Suggested “body” part

* As a proud MUTA member I stand united with my colleagues in urging you and the other MUSD board members to reach a fair contract with my association.

* Please value and respect what I do for the students of Madera and make a reasonable settlement.

* As a member of the Madera community I request that you give our teachers what they are asking for. It’s fair and reasonable.

* Stop collecting money in the reserves. Be a responsible board and pay our teachers so we can attract and retain the best educators. Madera students deserve it!

* Stop growing the MUSD reserves and start compensating your MUTA union members for the valuable work they do with the students of Madera.

* There is not a good reason to ask us for take backs on our medical benefits. The District's reserves are large, and it's receiving over \$17 million in new funding this year. Please show me you value us by reaching a fair settlement with my MUTA bargaining team.

Please keep it as professional!

Thank You for all that you do for the students of Madera!
